Submit the form and a nonrefundable $25 application fee to the Office of Admissions, Tennessee Technological University, P.O. Box 5006; Cookeville, Tennessee 38505. The application deadline date for receipt of the admission application, test scores (ACT/SAT) and appropriate transcripts is August 1 for fall entry, December 1 for spring entry and May 1 for summer entry.

2. Request each institution previously attended to send official transcripts of all work completed and a partial transcript if presently enrolled in another institution. Request the final transcript when all work is completed. Transcripts of all work attempted at the college level must be furnished.

3. The official grade point average will be computed on hours and grades earned at all previous colleges or universities. Credit is transferred with the grade made in the course. For example, an "A" is transferred as an "A," and an "F" is transferred as an "F."

4. Students who have NOT earned a bachelors degree are required to submit a high school transcript or GED scores. Students who have not completed college credit math or English courses must follow COMPASS testing guidelines. Students under the age of 21 who have completed fewer than 24 semester hours must also submit ACT scores.

5. All non-commuting single freshmen and sophomores must live in university housing.

6. The applicant will be notified of the admission status after all credentials have been received and evaluated. Tentative admission may be granted on the basis of partial transcripts if the quality of work is clearly acceptable. Final admission is granted only after all official transcripts and credentials are received. Upon acceptance, the student will be sent a letter of admission.
