The course is taught using the communicative approach. This means that we USE the Spanish studied by the students at home in meaningful, real-life contexts. A variety of teaching techniques and formats are employed to optimize the students' use of Spanish in class, such as TPR (Total Physical Response), group work (involving conversations, role playing, and grammar and vocabulary exercises), audio and visual exercises, brief grammar reviews, cultural explanations, and assigned work from the online Website.

This is a Spanish language course. The professor and the students will speak only Spanish in class.

Computer Access: Students are required to have high-speed Internet access. You will participate in this class via the following platforms MWF: iLearn, MS Teams and VHL Central. We will be using MS Teams. Access link and code will be posted on iLearn.

University Plagiarism Policy

“Plagiarism. When you use (for example, quote or even summarize or paraphrase) someone else’s media, words, data, ideas, or other works, you must cite your source. You should be especially careful to avoid plagiarizing Internet sources (for example, e-mail, chat rooms, Web sites, or discussion groups). It does not matter whether you borrow material from print sources, from the Internet, from on-line data bases, or from interviews. Failure to cite your source is plagiarism. Students who plagiarize may receive an “F” or a “0” for the assignment, or an “F” for the course” (*TTU Student Handbook*)

Course Requirements

A serious commitment to the study of Spanish is expected from each student. Students must promptly complete assignments **BEFORE** class. Punctuality and speaking Spanish in class are expected and required.

Please note that the classes are conducted almost entirely in Spanish.

Student Conduct

2. Students be respectful of the professor and their fellow students,
3. And, finally, students must arrive on time and leave at the end of the class.

Any deviations from these minimum expectations will result in the lowering of your class participation grade, and, if irresponsible behavior should continue, your final grade may be affected.

Make-up Exam Policy

The professor will NOT create any exams for those students who missed an exam, whether the reason is excused or unexcused. For those students who have an excusable absence for the date of the missed exam, their final exam grade will replace their missed exam grade.

An Academic Adjustment form should be completed as soon as possible, preferably by the end of the first week of the course.
