## PROCEEDINGS

### Approval of the Agenda

Dr. Hodum requested that his item #10 be moved up to #3 as he needs to leave for Nashville. Dr. Darvennes MOVED approval of agenda with requested change and Dr. Larimore SECONDED. The agenda was APPROVED unanimously.

### Approval of the Minutes of the January 28, 2015 Meeting

Dr. Janet Isbell stated she was not present at the January meeting. Changes will be made to reflect correct attendance of Dr. Janet Isbell and Dr. Lee Ann Shipley. Dr. Darvennes MOVED approval of the minutes with noted changes and Dr. Kharif SECONDED. The minutes were APPROVED unanimously.

### Approval of Policy on Requirements for a Baccalaureate Degree and Graduation

Dr. Hodum stated the policy replicates what is currently in the catalog and MOVED approval and Dr. Hoy SECONDED. There was much discussion with several recommended editorial changes, and explanations of selected items. These changes are noted in the document. The policy was APPROVED unanimously with the noted changes.

### Update on Honors College

Dr. Rita Barnes discussed the continued work and the task force focus for establishing an Honors College. The ad hoc committee has been studying the concept and visited other institutions to learn about similar operations. They have worked hard to address all issues and are making good progress. The proposed admissions guidelines for the new Honors College include higher ACT standards and essay which is currently being piloted with approximately 100 high school students. Honors is currently piloting 11 student projects in seven different colleges at the senior level. Sample Honors paths built around departmental curricula are being developed. Several colleges have begun working with Honors to integrate these plans with initiatives unique to their strategic goals. Other actions include identifying space and staff needs, alumni board formation, an upcoming marketing survey and renovation of Murphy Hall, which will become the Honors Learning Village.

### Progress Report on Tennessee Tech Rural Development Institute

Dr. DiFurio explained that an exploratory committee met to review ideas on how the program should be developed. This is a diverse group that achieved good results. There were three recommendations: (1) To change the name from Rural Policy Institute to Rural Development Institute. (2) To make the focus on service learning at this time instead of research. A subcommittee will be sending out requests for proposals for service projects for this summer for a test run. (3) An expert will be invited to campus to share his ideas on how to form the institute.

### Name Change for Multidisciplinary Studies Elementary Education Concentration

Dr. Julie Baker presented this information in the absence of Dr. Jeremy Wendt. She stated that the name change

### Approval of Proposals for B.S. in Early Childhood Education (non-licensure) and Secondary Education (non-licensure)

Dr. Baker also presented on behalf of Dr. Wendt. She explained that this non-licensure option will give educators the opportunity to develop highly sought after skills, strategies, implications, and foundations for careers in Early Childhood Education. The second proposal is similar to this one but is for Secondary Education non-licensure. Dr. Larimore MOVED approval and Dr. Darvennes SECONDED. After some discussion and clarification of the difference in this program and the Human Ecology Early Childhood and Child and Family Services, both proposals were APPROVE unanimously.

### Approval of Proposal to Change Admission Criteria for the Specialist in Education

Dr. Stein explained that the change in the admissions policy will align the admissions criteria with standards in the profession and meet requirements for accreditation. Dr. Darvennes MOVED approval and Dr. Larimore SECONDED. The proposal was APPROVED unanimously.

### Approval of Graduate College Policies

Dr. Camuti requested approval of the polices as a group, which was previously approved by the Graduate School Executive Committee and legal counsel. These policies are already covered in the Graduate Catalog and will refer the reader back to detailed procedures for the policies covering general degree requirements, graduate assistantships, and online degrees. This is consistent with TBR, THEC, and HR policies that govern these policies. Dr. Darvennes MOVED approval and Dr. Larimore SECONDED. After a few questions, the policies were APPROVED unanimously.

### Approval of Policy for University Committees

Dr. Null stated that the Policy on University Committees is to define and make clear university standing committees and special purpose committees. Dr. Null MOVED approval and Dr. Darvennes SECONDED. The policy was APPROVED unanimously. Dr. O'Connor MOVED to

2. Dr. O'Connor stated at the last Faculty Senate meeting there was discussion on how to handle classes missed when the University was closed due to the weather. The President requested guidance from the faculty. Therefore, Dr. O'Connor presented the following statement *"The cancelling of classes by Tennessee Tech University for the week of February 16-21 has created challenges for teaching of courses during the current term. Tennessee Tech University believes in the professional judgment of individual faculty members to handle those challenges in the most appropriate way in their courses for the benefit of their students. In order to help accomplish that end, the Academic Council urges that the regulations concerning examinations during Dead Week be suspended for the Spring 2015 term."* Dr. O'Connor MOVED approval and Dr. Kharif SECONDED. After discussion the motion was APPROVED unanimously. Dr. Steve Isbell will present this to the President to share with the campus.
3. A subcommittee of Drs. Navarro, Raymondo and Boles was formed to nominate a chairperson for Academic Council for next year. This will be presented at the April meeting.

The meeting adjourned at 4:40pm.
