Second Kumar Yelamarthi

Vote. Approved

Request from the College of Engineering (LSC 2302/3315/3318/2306/2307/2308/3111)

The College of Engineering is adding several new undergraduate and graduate programs, including the BS in Nuclear Engineering. Unfortunately, the college does not have

faculty in the current facilitiesThe college is requesting the spaces in LSC to house the newly hired faculty and staff members.
