

On Wednesday, October 10, the Council

- 1) Approved the change in the undergraduate admission policy to remove the admission requirement that specific high school courses must be completed prior to admission to the University.
- 2) Approved a change in the graduate admissions requirements for the MBA Program. Applicants will be able to take the GRE or the GMAT for admission consideration
- 3) Approved a new graduate concentration in Sport Management in the MA program in EXPW.

On Wednesday, November 7, the Council

- 1) Approved the termination of the BS in Web Design, with a sunset date of summer 2017.
- 2) Approved the separation of the Department of English and Communications into the Department of English and the Department of Communication, effective fall 2013.
- 3) Approved the creation of a new concentration in Digital Media in the Art Department.
- 4) Approved a change in the name of the Department of Manufacturing and Industrial Technology to the Department of Manufacturing and Engineering Technology.

Administrative Council: The Assembly unanimously received the following report as presented by Dr. Ismail Fidan:

Council met two times during the fall 2012 semester: October 17 and November 14. At each meeting, agenda and minutes of the previous meeting were approved. The following summarizes these meetings:

October 17, 2012

Approved the Constitution of the Adventist Christian Fellowship at TTU. This fellowship aims to provide a place of belonging to a community, believing in a loving God, and becoming a messenger of that love to others.

University Assembly
Page 3, November 28, 2012

Approved the revised Tennessee Tech Lambda Gay-Straight Alliance Constitution. The alliance sets out to provide a network of support, safety, and unity for members on the TTU campus; and advocate issues in the community.

Endorsed the TTU Facilities Use Policy

November 14, 2012

Approved the Constitution of the Model United Nations of TTU.
