

Describe the strategies and actions in place to co-select clinical educators and collaborate to ensure

evaluate, and support high-quality clinical educators, both provider and school-based, who demonstrate excellent instruction and clinical skills.

Describe the design and implementation of clinical experiences, which must be a minimum of

sufficient depth, breadth, diversity, coherence, and duration to ensure candidates demonstrate their

developing effectiveness and positive impact on pre-k-12 students (For instructional leader programs, ensure how clinical experiences allow opportunities for candidates to practice

application of content knowledge and skills) *(NOTE: Do not use the subject area name in the*
