

Be sure to pay your fees or confirm your enrollment by the appropriate deadline.

s Office dates can be found here:

<https://www.tntech.edu/bursar/deadlines.php>

You can check your student account via Eagle Online using your T # (Tech ID) and Tech PIN number. Eagle Online: <http://www.tntech.edu/eagleonline>

Amounts due must be paid in full via the web using a VISA, American Express, MasterCard, Discover Card, or E-c
s Office. If you are interested in our deferred payment plan for fall or spring (additional fee applies), visit the TTU web page located here concerning this option:

<https://www.tntech.edu/bursar/payments/index.php> or c
s Office at (931) 372-3311 with deferred payment questions. Even if you have a credit balance, **you must still confirm your enrollment via Eagle Online.** Failure to confirm your enrollment will result in a cancellation of your schedule.

EXCESS AID

Students who have a complete financial aid file and credit balance due to excess financial aid can have the funds directly deposited to their bank account on or after regular Registration Day or can receive an excess aid check shortly after the term begins. Visit <https://www.tntech.edu/bursar/refunds.php> to sign up for Direct Deposit.

POLICIES GOVERNING FINANCIAL AID

To be eligible to receive financial aid you must be enrolled as a regular degree-seeking student in an eligible program of study, be enrolled in classes required for completing your program of study, maintain Satisfactory Academic Progress (SAP) standards for federal aid, not be in Default on a student loan or owe a Repayment of Title IV Federal Financial Aid.

Original awards are based on the fall/spring academic year and the assumption that you will be full-time if you are an undergraduate student and three-quarter-time if you are a graduate student. For financial aid purposes, your enrollment status is determined as follows (excluding audit courses): full-time status is 12 UG credit hours or more if you are an undergraduate student and 9 GR credit hours or more if you are a graduate student / three-quarter status is 9-11 UG credit hours if you are an undergraduate student and 6-8 GR credit hours if you are a graduate student / half-time status is 6-8 UG credit hours if you are an undergraduate student and 5 GR credit hours if you are a graduate student.
