In developing your dissemination strategy, you should seek the advice of well-established mentors in your field if you feel that your future ability to publish dissertation/thesis content might be jeopardized by wide dissemination. If you decide that it might, you may want to take one or more of the precautions shown in the table above.

Post-Graduation Publishing

Prior to graduation, embargoes are subject to university policies. However, when authors are presented with post-graduation publishing opportunities, some publishers request or require the author to adjust the availability of the full-text of their graduate work. As a non-exclusive publisher, ProQuest recognizes the dissemination of their work.

ProQuest will forward notification of author-requested changes related to ProQuest full text availability to will be sent to the p
