

Fall 2024 Honors Courses

****All Honors courses require permits available only from the Honors Program. ****

Submit an **Honors Planning & Permit Request form** (we will email the link).

earn Honors credits every semester
until you've completed all credit hours of Honors requirements:
HON 1010 (cr.)

Choose credit hours from at least three different areas
--for ex., Chem, Music, and History or other disciplines

Choose credit hours of culminating Honors experiences:
Colloquium*, Honors Upper Division in the Major**, Directed Study, or an Interdisciplinary Honors Thesis

The following courses count toward your 15 credit hours

(**BLUE HEADINGS** indicate which GenEd Core requirements are fulfilled by the courses listed.)
