Read the essay prompts below to prepare for the HASapplication. Currently, three are required.

- Describe a project or endeavor that required much dedication or a significant time commitment. How did you handle inherent obstacles? How could you have improved?
 Or Describe an experience that you've had with time management that lets us know you're ready for the service hours and planning required to maintain this scholarship if awarded.
- Ø Describe a situation in which you failed. Why do you consider it a failure, and what
