

The image shows a complex software interface, likely a CAD or engineering application, with multiple overlapping windows and a taskbar. The interface is highly detailed with various icons, text, and graphical elements. At the top, there are several window titles, including "3830", "4670", "2000", "2020", "1840", "8400", and "5810". The main workspace is filled with a grid and various graphical elements, including lines, circles, and text. On the right side, there is a panel titled "1.3 Matrixeconomic". At the bottom, there is a taskbar with several icons, including "Introduced", "Emphasized", "Reinforced", and "Covered the Affinity". The bottom left corner has the text "Assessment Measure" and the bottom right corner has "Correa Embedded".
