

I didn't find what I was looking for in EagleSearch
(or there are no request options for what I want)

Are your search terms spelled correctly or is the title (if known) accurate?

Is it an article?

Yes

Was it published in the last 30 days?

No

We're sorry the library cannot obtain this item for you. Feel free to try these other options:

Search [Google Scholar](#)

Search Google

No

Yes

See if other libraries have it:

- Search their catalogs
- Contact them to see if you can visit to get access in their library

Purchase the article on your own

Ask the library to purchase a physical copy of the item:
<https://www.tntech.edu/library/request.php>

It may not be in EagleSearch been 30 days since the publication date
