The General Faculty Meeting usually occurred three to five times a year and was generally presided over by the university president. Reports would be presented from the University Assembly, the Academic Council, the Administrative Council, the Faculty Senate, along with comments from the president. It was customary for new faculty to be welcomed. Faculty earning service pins, or other awards and retiring faculty would be acknowledged. This collection consists of agendas and minutes of these meetings dating from 1980 through 2007 and is arranged chronologically.
